

2021 ADEMs – FAQ SHEET

1. What is the purpose of the ADEM Election meetings?

The California Democratic Party (“CADEM”) Bylaws (Article VI) provide that an Assembly District Elections Meeting (“ADEM”) shall be held in each of the 80 Assembly Districts in January of each odd-numbered year to elect representatives (referred to herein as “Assembly District Delegates” or “ADDs”) to the California Democratic Party State Central Committee (referred to in the Bylaws as “This Committee” or DSCC) and a representative to the CDP Executive Board (referred to herein as “E-Board representatives”).

However, in response to the health concerns about in-person voting, during the November 2020 Executive Board meeting, the Rules Committee recommended to the CADEM Executive Board that instead of holding ADEMs throughout California, a system of registration and voting by mail only be implemented.

Through this process, 14 people* (7 "self-identified female" / 7 “other than self-identified female”) will be elected and represent their Assembly District Delegation (ADD) at the 2021 and 2022 State Conventions. Every AD will elect one representative from among the ADD to represent the district on the State Party’s Executive Board.

Delegates to the State Party (DSCC) vote and conduct Party business at the yearly State Convention, including:

- Election of CADEM Officers: Chairman, two Vice-Chairs, Secretary and Controller (in odd-numbered years after presidential elections)
- Election of 16-25 Regional Directors who function as liaisons between the California Democratic Party, County Central Committees, and Democratic Clubs in regions comprised of 3 to 5 Assembly Districts (in odd-numbered years)
- Endorsements by the California Democratic Party for partisan legislative and statewide offices in California
- Positions on Ballot Propositions (as needed)
- Establishment of the official California Democratic State Party Platform (in even-numbered years)
- CADEM Resolutions (in all odd-numbered years)

Executive Board (E-Board) Representatives of the DSCC, the Executive Board members, meet at least two additional times each year to conduct business that comes up between conventions. This business may include Standing Committee and Caucus meetings and electing members to the Democratic National Committee (in presidential election years).

2. What is new about the 2021 ADEM process?

The new system will incorporate the following features:

- Elimination of all in-person voting for the 2021 ADEMs.

We cannot change your voting record to reflect another mailing address outside of your voting record.*
